

zipForm® Plus

We've Built a Home For Your Transactions

With more than 20 years of software research and development for the real estate industry, zipLogix delivers the penultimate in form software, zipForm® Plus. As the Official and Exclusive Forms Software of the NATIONAL ASSOCIATION OF REALTORS®, this cloud based application was designed specifically for today's agents and broker's needs. With a dynamic form display platform, zipForm® Plus enables swift transaction completion while mitigating risks that cumbersome handwritten contracts present.

zipForm® Plus is the solution that streamlines the paperwork process, compiling all of the necessary tools in one place. From their first login real estate professionals will discover a highly efficient workplace within the application. Fueling this performance are the hundreds of licensed official forms from state and local associations.

zipForm® Plus for Brokers

zipLogix offers broker specific solutions that enhance the experience of managing brokers and office managers. These utilities were developed for the needs of an entire real estate brokerage, even with multiple offices if needed. These tools enable seamless management of transactions and the ability to generate transaction reports at the agent, office and corporate levels.

Brokers can also purchase their own custom forms library and incorporate a company logo to be used along with the licensed official state and local association forms within zipForm® Plus. Implementation of customized broker forms offer risk reduction providing the trusted up to date forms available for all brokerage agents. In addition there is also a Custom Broker Screen service that enhances brand awareness. Contact our Broker Specialists at 866.627.4729 for additional information.
